Description

With peerless performance and capability, our Diesel driven 2020 Land Rover Range Rover HSE 4WD has a formal, upright profile that stands out in Indus Silver. Motivated by a TurboCharged 3.0 Litre Diesel V6 that produces 254hp and 443lb-ft of torque tethered to an 8 Speed Automatic transmission for composed towing and outstanding overall performance. Our Four Wheel Drive SUV is a capable cruiser that returns approximately 8.4L/100km on the highway with an air suspension to climb over obstacles on the trail. You'll also enjoy a commanding presence with a sculpted design set off by LED lighting, signature-style daytime running lamps, a sunroof, and 21-inch alloy wheels. Luxury, technology, and versatility all come together in the HSE's leather cabin with heated power front seats, heated rear seats, a leather heated steering wheel, tri-zone automatic climate control, and elegant walnut veneer trim. Command your Ranger Rover using a Touch Pro Duo infotainment system with two 10-inch touchscreens, full-color navigation, a 12.3-inch digital instrument panel, Bluetooth, available WiFi, and a 13-speaker Meridian audio system that fills our Range Rover with sound. To fill you with confidence when you're behind the wheel, Land Rover supplies sophisticated safety measures like automatic emergency braking, a blind-spot monitor, lane-keeping assistance, and a driver-attention monitor.
