Take advantage of exclusive Certified Pre-Owned finance rates as well as 24/7 roadside assistance on the finest carefully maintained Land Rover inventory. No matter where your journey may take you, your confidence and peace of mind remains our highest priority. This 2016 Land Rover Range Rover Sport Diesel Td6 HSE is versatile and well-rounded with competent driving characteristics. To say that your time with it will spoil you is an understatement. The Range Rover is the ultimate luxury go-anywhere car. Whether it's a long road trip, day-to-day traffic, winding mountain roads, off-roading, snow or sand, you will feel a sense of confidence in your SUV. No matter what is thrown at it, the Range Rover will handle it with ease, due to the 3.0 Liter turbo diesel V6 engine introduced in the 2016 model year which offers 254 horsepower at 4000 rpm and 440 lb-ft of torque at 1750 rpm. In order to be made commercially available in North America, the engine had to be cleaned up with a selective catalytic reduction (SCR) system that takes a urea-based fluid and injects it into the exhaust flow to reduce NOx emissions. To further reduce NOx emissions, the engine uses low-pressure exhaust-gas recirculation that runs through an engine-mounted cooler before reentering the combustion chamber. Also updated for the 2016 model year is the All-Terrain Progress Control (ATPC) which when in use, allows for the Land Rover to crawl over obstacles or
