## Retailer Comments

Finance for 2.9% up to 72 months. Price includes warranty up to 160,000 kms or July 31st 2023. Only select vehicles are eligible for the Land Rover Approved certified pre-owned program, in which they must pass a rigorous 165-point inspection that verifies its superior condition. The chosen few are fully endorsed by our professional Land Rover technicians and benefit from the enhanced 6 year or 160,000 kilometers of comprehensive warranty. Take advantage of exclusive Certified Pre-Owned finance rates as well as 24/7 roadside assistance on the finest carefully maintained Land Rover inventory. No matter where your journey may take you, your confidence and peace of mind remains our highest priority. Athletic and luxurious, this low-mileage 2017 Land Rover Range Rover Sport V8 Supercharged SVR in Madagascar Orange metallic paint drives like a premium sedan, but with the four-wheel-drive mobility and cargo capacity of a mid-size SUV. Comfort, handling and off-road prowess all require very different mechanical elements and design, thus this Range Rover Sport is an engineering miracle. Much more than just the sum of its parts, the Range Rover Sport is remarkably comfortable on the highway, has the composed handling comparable to a Cayenne, all with the added allure of British style. With plenty of SUVs with sport-oriented demeanors to choose amongst, the Range Rover Sport V8 Supercharged SVR stands confidently apart. This sport-ute comes with antilock disc brakes, active roll control, front-seat side airbags and full-length side curtain airbags. Other safety features include a front parking aid and a surround camera system. For 2017, a host of safety features were added to enhance the standard selection of Land Rover Range Rover Sport's wide-ranging capabilities, including adaptive cruise control with autonomous emergency braking, a blind-spot monitoring system, and lane departure warning with lane keeping assist. To further protect you while you drive, this vehicle carries a driver condition monitor, collision mitigatio
