Retailer Comments

With outstanding craftsmanship, our 2020 Land Rover Range Rover Velar R-Dynamic AWD in Eiger Grey Metallic is here to carve its own path with power and prestige! Motivated by a SuperCharged 3.0 Litre V6 offering 340hp paired to a paddle-shifted 8 Speed Automatic transmission for superior performance and robust towing. This All Wheel Drive SUV also serves up true off-road capability with Terrain Response technology, returns approximately 9.8L/100km on the highway, and has an avant-garde appearance that's set off by exclusive R-Dynamic design details plus LED lighting, bold alloy wheels, and flush door handles for a sleek and upscale presence. The cabin of our R-Dynamic is sophisticated and modern with grained leather power front seats, a power-adjustable leather-wrapped steering wheel, and a distinctive ambiance. To emphasize the clean look, most controls are replaced by dual 10-inch touchscreens with a 12.3-inch interactive driver display, Android Auto, Apple CarPlay, Bluetooth, full-colour navigation, and an 11-speaker Meridian sound system. Versatile cargo space means you benefit from impressive SUV functionality, too. Land Rover safeguards your journeys wherever you roam with advanced driver-assistance systems such as a backup camera, blind-spot monitor, driver attention monitor, lane-keeping assistance, and more.
